

NATIONAL TEACHING COUNCIL OPENS REGISTRATION FOR ALL TEACHERS IN PUBLIC OR PRIVATE SECTOR

The National Teaching Council has opened registration for In-service teachers employed in the public or private sector. The purpose of this registration is to introduce every teacher currently in active service to the NTC Teacher Portal Ghana (TPG) which will serve as the online hub for all continuous professional development activities and licensing. The registration will also provide NTC an updated database of all teachers in the country.

Every teacher across the country is advised to use this lockdown period to familiarize him or herself with the NTC TPG web portal.

Please follow the instructions below to get started.
