**FOR IMMEDIATE RELEASE**

**ACCREDITED SCHOOLS OFFERING CAMBRIDGE AND IB CURRICULA IN GHANA**

The National Schools Inspectorate Authority (NaSIA) wishes to inform the general public that the underlisted schools are duly accredited to offer the Cambridge Assessment International Education (CAIE) and the International Baccalaureate (IB) curricula in Ghana.

The general public should note that schools that are not included in the list but claim to offer the CAIE and IB curricula do not have the accreditation from their respective bodies to do so and are liable to be sanctioned.

The underlisted schools accredited to offer the CAIE and IB curricula are to ensure that they are duly licensed by NaSIA in accordance with section 98 (2&3) of the Education Regulatory Bodies Act (ERBA) 2020, (Act 1023) that requires all schools in Ghana to be licensed by NaSIA in order to operate.

We are by this press release, advising all parents and/or guardians to desist from patronizing the services of schools that are not accredited to offer the CAIE and IB curricula in Ghana.

We are also cautioning all the accredited CAIE and IB curricula schools to comply and license their schools with NaSIA accordingly or risk losing their accreditation to operate from their accreditation bodies.

For further enquiries, please contact the Standards and Licensing Department of NaSIA via email on [licensing@nasia.gov.gh](mailto:licensing@nasia.gov.gh) or via phone on 030 290 7589/054 573 2688.

Thank you.
